A Note from our Commander:

To my fellow Veterans and Auxiliaries. Our LONG awaited newsletter has finally come. As I start my third year as Commander the first thing I want to do is congratulate the Auxiliaries for their outstanding work on the Car Show, Fishing Derbies, etc. We will be needing volunteers from all members in these and other endeavors. We are bringing back the Electric Jam, the first being this month on the 29th. Looks like a busy and fun filled summer.

The requirements for All American Posts are to be announced from Department soon. We have been all along and this year we should make it. We are submitting Voice of Democracy, Patriots Pen, Fire, Teacher, Boy Scout and Police awards applicants this year. I would like to invite the

Auxiliaries to assist us in these. We should have the building in the post name by the end of the month thanks to a few members of the community that invested to help us achieve this. It will belong to us now and ALL improvements we do benefits US. Let's get 'er done. If we want to keep the building it has to sustain itself. Herrington Real Estate is donating the containers plus will repay us the \$1000 we spent for the appraisal. The containers will generate some relief to the overhead. We will be getting most of the down we applied as well. We owe them a great big thank you. Poppy sales, Memorial Day and Flag retirement went well.

I attended the Rim of the World Scholarship Awards presentation and presented

our \$500 scholarship to Amanda Gardner, they lost their house in the last fire. It was an honor to represent the organization. I want to thank all of you again that have been helping. We need a color guard for parade and help with the brat stand.

Gary Duncan
Post Commander

A Note from our Jr. Vice Commander/Canteen Mgr

To start we have managed to survive the surge of rising increase of utilities and cost of supplies. During the winter and spring months have been the hardest. Now summer is here and we need everyone's support at all of our functions to help keep us going.

This is very important now that we own the building. We are the landlords so every dollar we put into the Canteen is to keep our home operating and improving.

Jamboree Days are upon us and our Bratwurst Stand will

again be set up act Century 21 parking lot. Come on down and lend a hand or just show up for moral support. Some of our members have not come around much so for all the non-smokers the Canteen is now smoke free. Smoking is allowed on the front patio and outside the building. On July 26th the Men's Aux. will host the annual Mountain Classics Car & Motorcycle show at Lake Gregory ball field. This is their 2nd year and last year was successful so we all wish them to have even a bigger and better year this time.

Our Bratwurst Stand will be set up for that one day so come get your Brat fix.

Enough ramblings from the Canteen Corner. Say a prayer for all our men and women serving our County overseas, in the hospitals and returning from Duty.

Come in and visit our Post Home we will try to make you always feel welcome and meet some of our new members.

Larry Beauchemin
Jr. Vice Commander/Canteen Mgr

A Note from our Men's Auxiliary President:

As you know this has been another exciting year, with many a things going on. First of all I'd like to give a big hand, to the officers and core group of this organization, because of them it makes my job very easy. This year in July we're having our second annual Mountain Classics Car & Motorcycle show! The Men's and Ladies Auxiliaries and V.F.W. is working to make this the best show yet!

Also in July as always we support the V.F.W. brat stand, whether it is helping on the work crew, donating to them, or just eating the brats!

We are having our fourth annual Trout fishing derby on September 27th, so

everyone come out and enjoy!

A new endeavor we have taken on is to help sponsor, the needs of the Southern California Veterans home, which helps thousands of homeless Veterans from past to present! Not only by donations, but our Chaplin took a huge pot of homemade Chili to feed and nourish them, it all makes a difference!

A special thanks to the Ladies Auxiliary, not only are they behind us, they are the driving force that keeps us all moving in the right direction, I cannot give them enough praise!!!

Special thanks to our Post Commander, Gary Duncan for bringing all the groups together as **one!**

We're also here for the community to help where we can, and most importantly I would like to thank our servicemen & women here and over seas for keeping us safe and giving

us the freedom to work on these endeavors for the real members of the V.F.W.

Paul Hartman
President

A Note from our Ladies:

It's a warm summer evening with a full moon and once again my thoughts are with our many brave men and women in foreign countries defending our freedom and what a great honor it is to serve as president of your ladies auxiliary.

We have some great events on the horizon including the second annual Mountain Classics Car and Motorcycle Show co-sponsored by the men's and ladies auxiliaries and the men's annual Trout Derby which always has great prizes and lots of fish tales. We also have 2 monthly fund raiser meals, the first Saturday of the month is the ladies at 3pm and the third Saturday

at 3pm is the men's, you won't go away hungry at either event. Lots of great food. I hope you will join us. Just a reminder.. the ladies send boxes from home to our troops, we just need the complete mailing address. We are always looking for new members, give me a call at (909) 338-3227 or stop by the post and pick up an application. A parting thought....

Americanism is an unfailing love of country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the flag; and a desire to secure the blessings of liberty to ourselves and posterity.
