Dear Comrades, Ladies and Gentlemen of the Auxiliaries, and Friends:

It's been over ten years since I had the honor of being Post Commander for our little post in the mountain. I am excited about a lot of new ideas that have been presented and am looking forward to being at your call. We have a web site now, many thanks to Lori Hartman, a clean organized building, thanks to many volunteers, and a nicer outside area, thanks to Kevin Hartman and friend. A newsletter, as in days of old, will be coming your way to keep you informed of all our activities and goals. Please, contact me with any ideas you have, suggestions,

etc. Please bring in some pictures of yourselves (Veterans), auxiliaries bring in one of the serviceman (servicewoman) you admired that inspired you to become a part of our organization for our Wall of Honor. I look forward to doing the best job I can for you and H.I.R. (Honor, Integrity, and Respect). This hall of ours is a place of Honor. See you there.

Welcome everyone, please go to our website and leave your comments. Also, please send pictures and information that needs to be posted in each of the member units. We need who you have sponsored in the community and all your donations so

everyone can see how we are helping our Veterans and the Community We Live In.

Any pictures of officer installations, group pictures or pictures of our events are needed. If you have any of these items

please email (historian@vfw9624.com) or bring them in to the post to be scanned. If your member units have dates that need to be added to our monthly Calendar or news letter information please email.

A note for the newsletter from the Sr.Vice Commander:

I would like everyone to take a moment and think of our Comrades in distress, for one our Chaplin Jimmie Cole and our Ladies Auxiliary Member Lynnda De Repentegny to wish them well and a speedy recovery. Also, lets remember our troops that are overseas defending our country from terrorism.

I would like to invite all our members to attend our monthly meetings, we need

your input. Our Meetings are held on the third WED of the month at 7PM at the Post. If we are to succeed at what we striving to do in the Community we need everyone's help not just one or two members.

I understand that there are members from the Big Bear area that are looking for a new home. We would like to invite all the VFW members, Ladies Auxiliary and Men's Auxiliary to check us out at POST

9624. For most of you probably think we are located at the end of the earth but we are not that far away. Come in and join us we will try to make you feel at home.

Your Jr. Vice,
Bill
